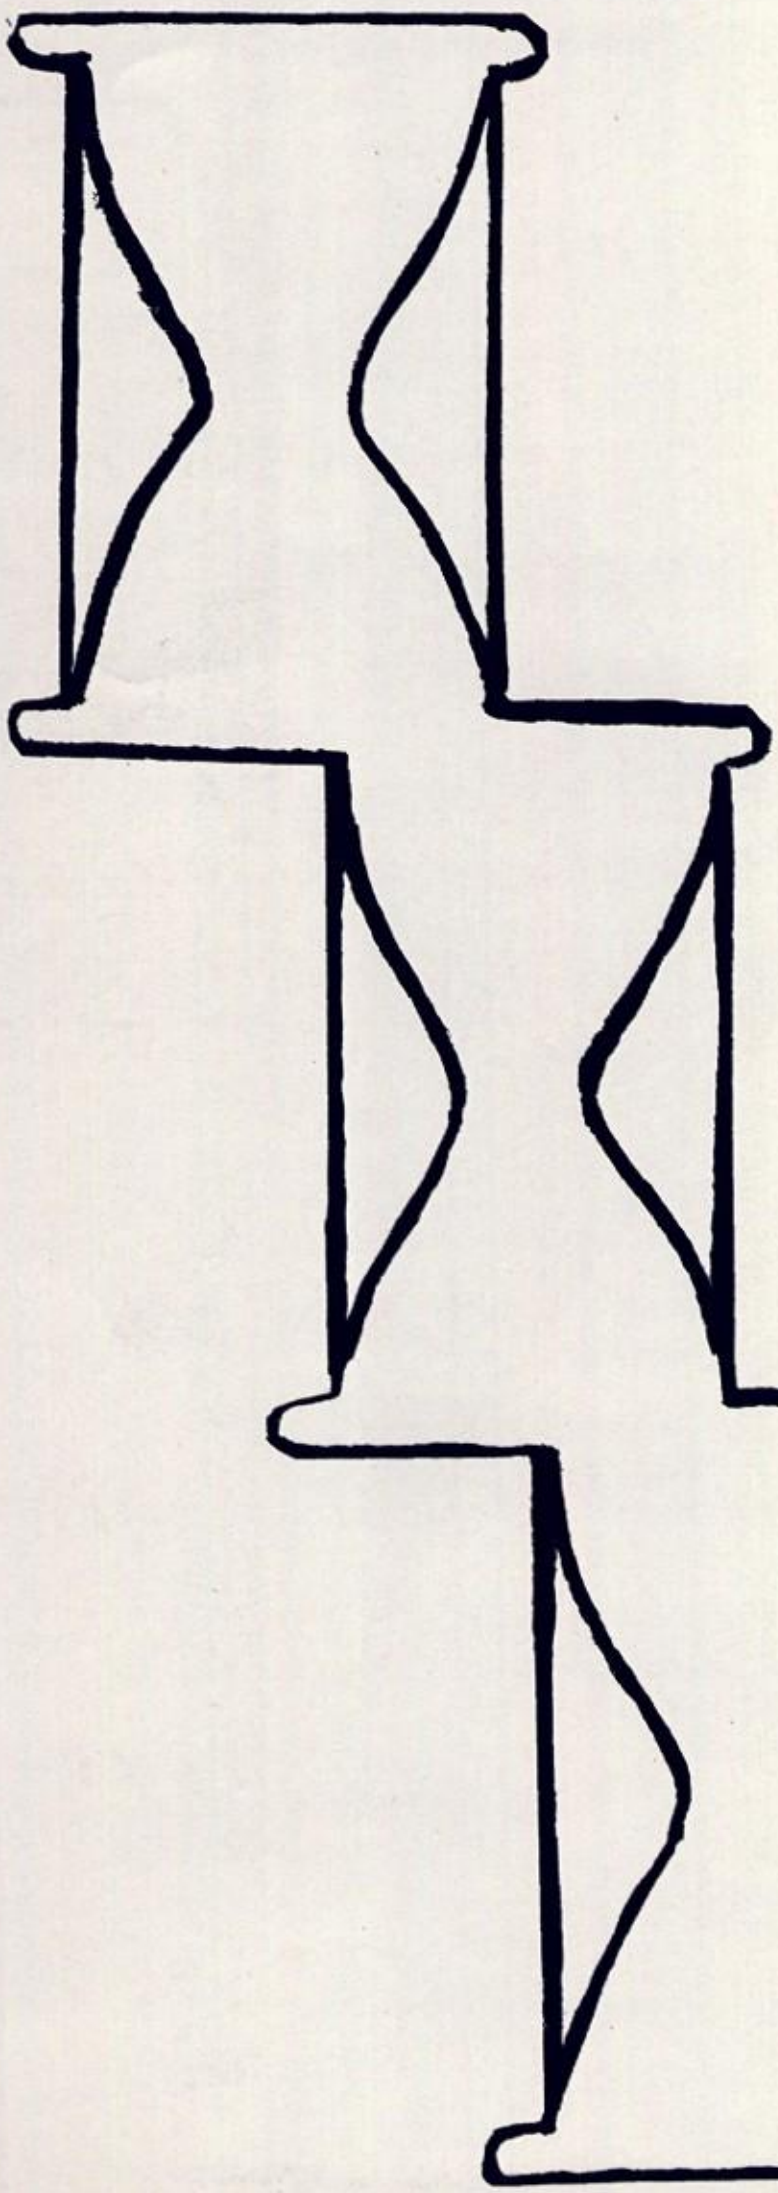
FOREWORD



Dear Readers,

As the sand of time slowly passes on, we hope that this yearbook will help you to recall all the pleasant memories of this past year. We have tried to capture all of these events on paper, but we realize that we have forgotten many.

We would like to thank everyone who has had a part in making this publication possible, especially our advisor, Mrs. Kidd.

It is with great satisfaction and pride that the entire yearbook staff presents this volume to you. May you derive many years of pleasure from our 1968 TOLO.

Sincerely,

Connie Schmidt, Editor

DEDICATION

The Tolo staff of 1968 is proud to be able to dedicate this yearbook to two great members of the T.H.S. faculty, Mr. and Mrs. H. B. Carlock. Mr. Carlock, as Superintendent, has served and guided our school for eighteen graduating classes. Mrs. Carlock, as Home Economics instructor, has not only been a great teacher, but a wonderful friend to the students. We, hereby, thank them for their loyal devotion to Toulon High School.

JUNIOR CLASS PLAYS

The Junior class plays were held this year on the evening of March 29 in the high school gymnasium under the direction of Mrs. Iris Fuhr and Mr. Alan Harland. Four plays were presented—"What's Wrong With Girls," "Overnight Guests," "The Reluctant Bridegroom," and "Comin' Round the Mountain".

JUNIOR ACTIVITIES

The past year has been a busy one for the class of '69. For homecoming, the class entered the float, "Pound Out a Victory" and received an honorable mention. A money making project of selling candy followed basketball season. In May, the Juniors sponsored the annual prom, this year held at the Hub; the theme was "Oriental Fantasy". All in all, it has been a productive year for the class of '69.

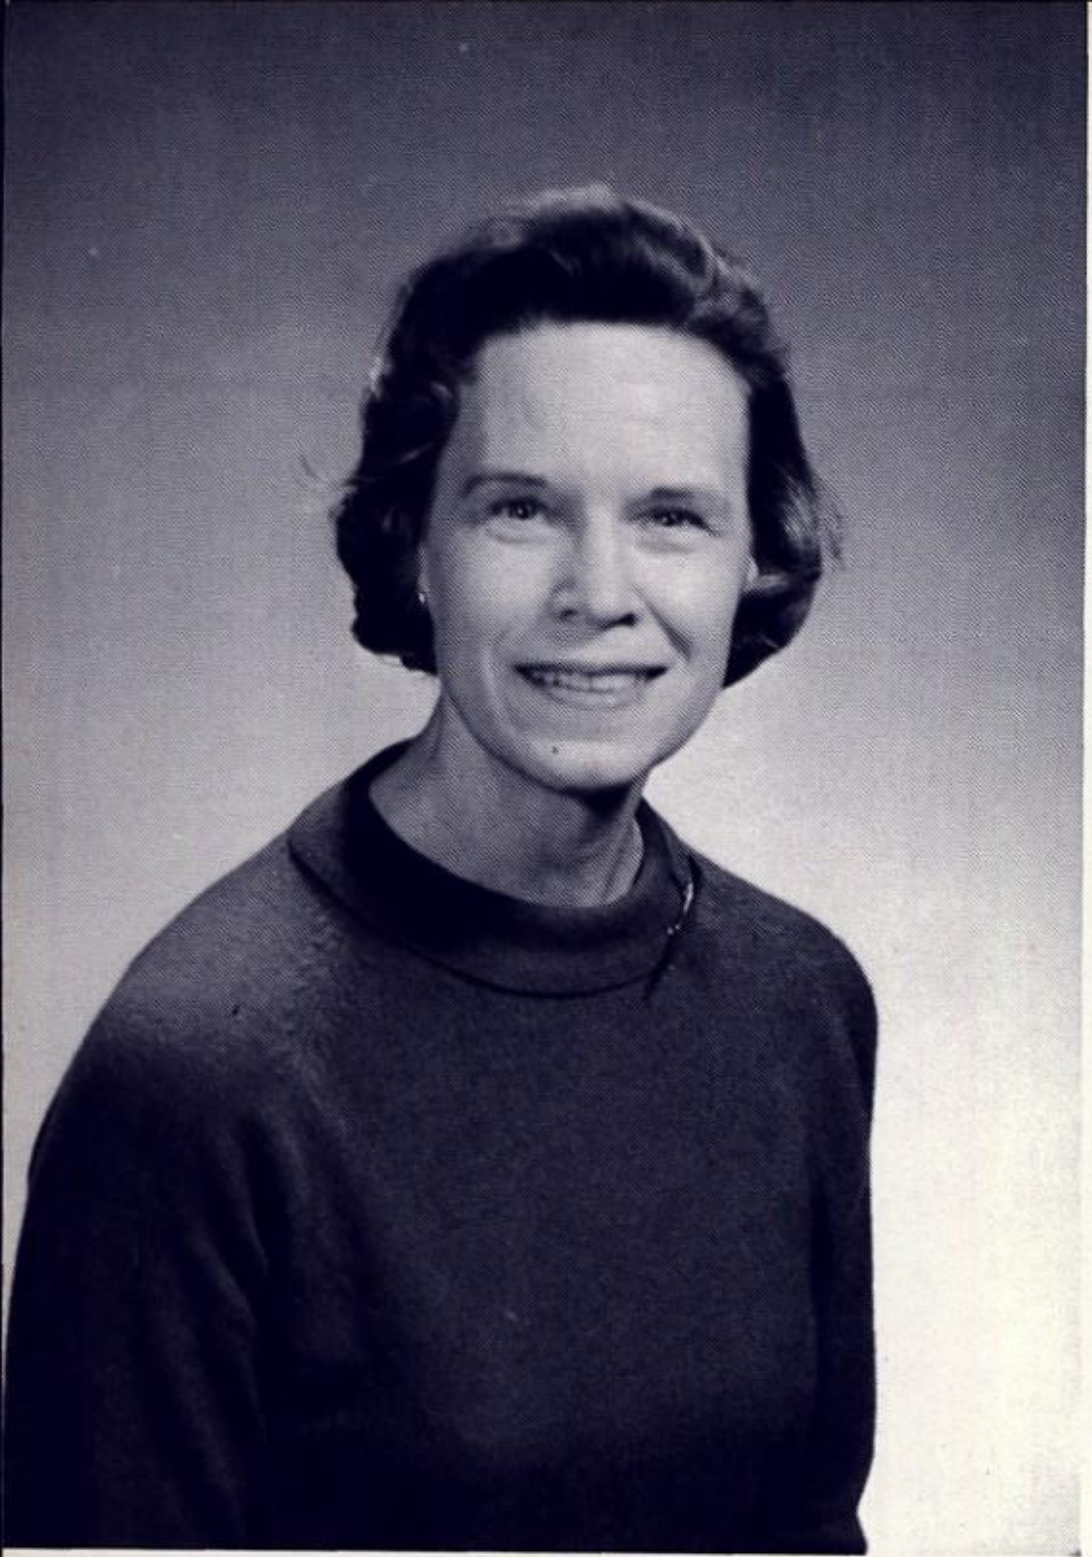
ACTIVITIES ROUND OUT SCHOOL LIFE



The Toulon Student Council has been very successful this past year. Much of this success was because of the fine guidance that the council had. Mrs. Virginia Perrin, who has been Student Council Advisor here for many years, has worked hard to keep the council members on the move. Besides being the local advisor, Mrs. Perrin has been a member of the advisory board of the Pekin District Student Council and was the special advisor for Janice Miller, past District Vice-President. The Toulon council wishes to express its deepest gratitude to Mrs. Perrin for all of her work for the council and for Toulon High School.

STUDENT COUNCIL

The Student Council of Toulon High School has tried many new projects this past year. In August they conducted a Leadership Workshop at Lake Calhoun. The Toulon Council asked some of the area councils to send representatives to this Workshop. The next new activity the council participated in was the District Workshop at Knox College in Galesburg. The Toulon Council, under the direction of Janice Miller, District Vice-President, took charge of all arrangements for the Workshop and served as the host school for the Workshop the day it was held.

This year the council had a special project, a "Keep America Beautiful Campaign." This project was successful and was helpful to the community as well as the school. Another "first" that this year's council accomplished was a student exchange. Toulon High School sent Connie Schmidt and Mark Addis, both council members, to Alton Senior High in Alton, Illinois, in exchange for two Alton students for one week. The purpose of this exchange was to promote understanding about the way other schools and other councils operate.

The officers for this year are as follows: Dale Nelmes, President; Janice Miller, Vice-President; Mary Matson, Secretary.

STUDENT EXCHANGE

The Student Council sponsored a student exchange program, whereby two seniors from Toulon High School, Connie Schmidt and Mark Addis, attended Alton High School, Alton, Illinois, for one week. During this week two Alton High students, Eric Anderson, a senior; and Lynn VanVorhis, a sophomore; became part of the Toulon High School student body. They went to class, study hall and extra curricular activities. Eric stayed with Dale Nelmes and Lynn with Mary Matson. The last night they were here the student Council had a party at Mary Matson's home. Connie and Mark stayed with students of Alton High, participating in their school activities during the week. All concerned felt the program was worthwhile.

AFS STUDENT

Toulon High School had its second American Field Service student this year, Maria Elena Jaramillo A. from Pereira, Columbia, who took the American name of Helen for her year in Toulon. Helen is the oldest of six children. Her junior year of high school was interrupted, so she will have one and one-half years of high school to complete when she returns. Toulon High School was a big change in many ways for Helen; her high school was a private all-girl school of approximately 2000.

She became a member of the Roland Currier family, who have two daughters in high school: Anita, a senior; Cindy, a Sophomore; and four other younger children. Helen participated in GAA, FHA, Student Council, chorus, and the senior class play. She reigned as queen of the FHA formal Christmas dance. The Toulon community, as well as the high school, enjoyed knowing Helen and will long remember her.

The Future Teachers of America had an active year. In October they visited the University of Illinois at Champaign. Six new members were initiated in November. They were: Lynne Drake, Cindy Currier, Joann Phillips, Ann Rice, Carol Hotchkiss, and Rae Wagenbach. At Christmas they helped Jim Mock by washing toys for needy children. Cookie cook books and candy cook books were sold to help earn money for the club.

The Toulon chapter of the Future Farmers of America had another very good year. Teams were sent to every judging contest on the sectional level. The livestock judging team took first place in the sectional contest. The foundation awards were won by the following: Public speaking, crop farming–John Nelson; swine production, sheep production, livestock farming–John Blair; farm mechanics–Les Tuthill; Corn production, beef production–Rod Dorman; swine production–Mel Hall; star greenhand award–Frank Price.

A highlight of the year was the announcement of the State Farmer Degree being won by John Blair and John Nelson.

FHA ACTIVITIES

The Future Homemakers of America had eighty members during the 1967-68 year under the supervision of Mrs. Carlock. The Chapter parents were Mr. and Mrs. Dwain Jacobson and Mr. and Mrs. Leroy Miller. Through much hard work, the chapter had a very successful year. Some of the activities included: the freshman breakfast, Christmas formal, section rally at Wenona, and the senior picnic. Janice Miller, won the Betty Crocker award and the Crisco award was received by Diane Jacobson. The Organization was proud to have Pat Peabody elected as the section eleven president. Helen Jaramillo, the AFS student, was made an honorary member of the chapter.

GAA

This year our GAA has increased it activities to encompass a sweatshirt sale, a spring dance, a football party, and numerous other sports activities. Under the direction of our advisor, Miss Schlink, we have learned to increase our sportsmanship and sense of fair play, which are two of the main goals of the Girls Athletic Association.

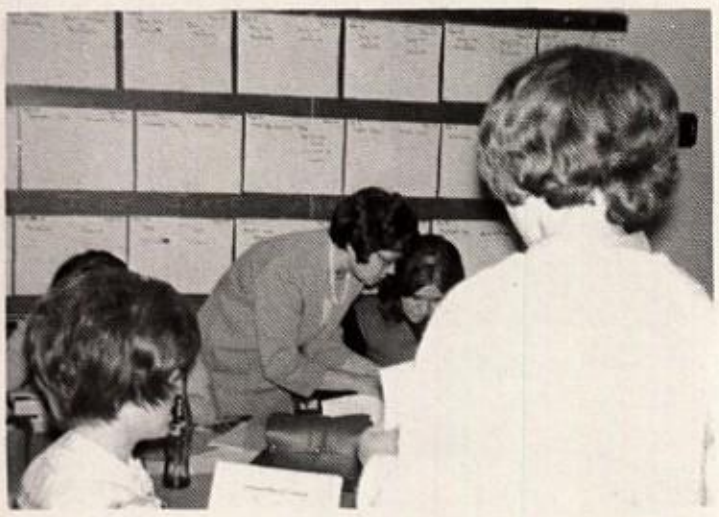
TOLO

The 1967-1968 TOLO staff consisted of 35 members under the direction of Connie Schmidt, Editor; Pat Peabody, Assistant Editor; and Mrs. Caroline Kidd, Advisor. This year's Business Manager, Mary Matson was assisted by Margy Henneberry. The Business Managers were in charge of magazine sales, taking orders for yearbooks, and distributing yearbooks after their arrival. The rest of the staff was divided into fifteen other committees—one for each organization or class, typists, photographers, and art.

It was decided again this year to have a fall delivery, but work began as usual early in the school year in order to meet all deadlines. The staff all worked very hard on the yearbook—both on the regular meeting night, Thursday, and in free periods during the day.

These TOLO staffers are very busy. Coke, after Coke, after Coke . . .



Mrs. Kidd always helps those in need at the TOLO meetings.

Defense at work

VARSITY FOOTBALL

1967 saw Toulon have its most successful season since the Trojans tied for the conference championship in 1957. The 1967 Trojans won six and lost three. In the early season the Trojans lacked confidence in their offense and consequently lacked offensive punch. However, their strong defense carried them through as they scored one touchdown in each of the first three games and still managed to win. The defensive stalwarts were all conference linebacker Bill Turnbull, leading tackles Randy Mock and Tim Schmidt and all conference defensive and Joe Minton. They were joined by defensive tackles Bob Anderson and Rudy Krans, who was probably one of the few offensive quarterbacks to ever play defensive tackle. Marty Blakey was a knockout as a defensive guard. The group was supplemented by late comer John Hand who hrudled his way into the defensive alignment. The defensive backs were Keith Knowles, Jim Cinnamon, Chuck Rice, and Bob Hatfield.

After three successive losses to the top three teams in the conference the Trojan offense came to life. The team suddenly realized they could make trap plays work and Bob Hatfield and Bob Anderson consistently gained yardage through holes make by the two fine pulling guards, Bill Turnbull and second team all-conference, Tim Schmidt. The tackels were Joe Minton and Junior Moats; the ends were Marv Cinnamon and Chuck Rice and the center was Rex Turnbull. Hatfield and Anderson were joined in the back field by quarterback Krans and either Jim Cinnamon or Rob Finney as the other halfback.

The high point of the season was undoubtedly the last game of the year with Galva, a team that had beaten Toulon so many times that it thought it could not lose to the Trojans. However, the Torjans thoroughly defeated the Wildcats as Galva gained very little yardage and Toulon scored five touchdowns although two were called back. Hatfield ran once again his favorite play, the counter, which because of his speed size, enabled him to sneak along behind the line of scrimmage so that he could run to perfection. The Toulon ends did not catch many passes, but Chuck Rice caught two for touchdowns, a spectacular one in the Manlius game and one that surprised even Chuck in the Galva game since the ball was tipped into his awaiting hands. The defense was great as it had been all year as Hand, Schmidt, and Turnbull made Levin, Galva's fine sophomore quarterback wish that basketball started a week sooner. This, the 1967 season ended as it began, successfully.

Rod Dorman

Led by second-team All-Conference selection, junior Rod Dorman, the Trojans enjoyed mild success in the '67-'68 season, posting a 13-12 record. Three seniors, Bob Anderson, John Blair, and Tom Trent contributed heavily to the Trojan efforts. Trent teamed with Junior Jim Cinnamon to form a speedy and effective ball-handling duo. Anderson and Blair joined Dorman to give Toulon a strong front line; this trio produced the bulk of the points, although at

times Trent or Cinnamon could add scoring punch from the outside. Returning next year will be sophomore Ken Dutton, who showed flashes of strong potential in the latter stages of the season.

Toulon attained little success in the tournament picture, winning one game and losing two at Knoxville, and finally losing to Neponset in the District.

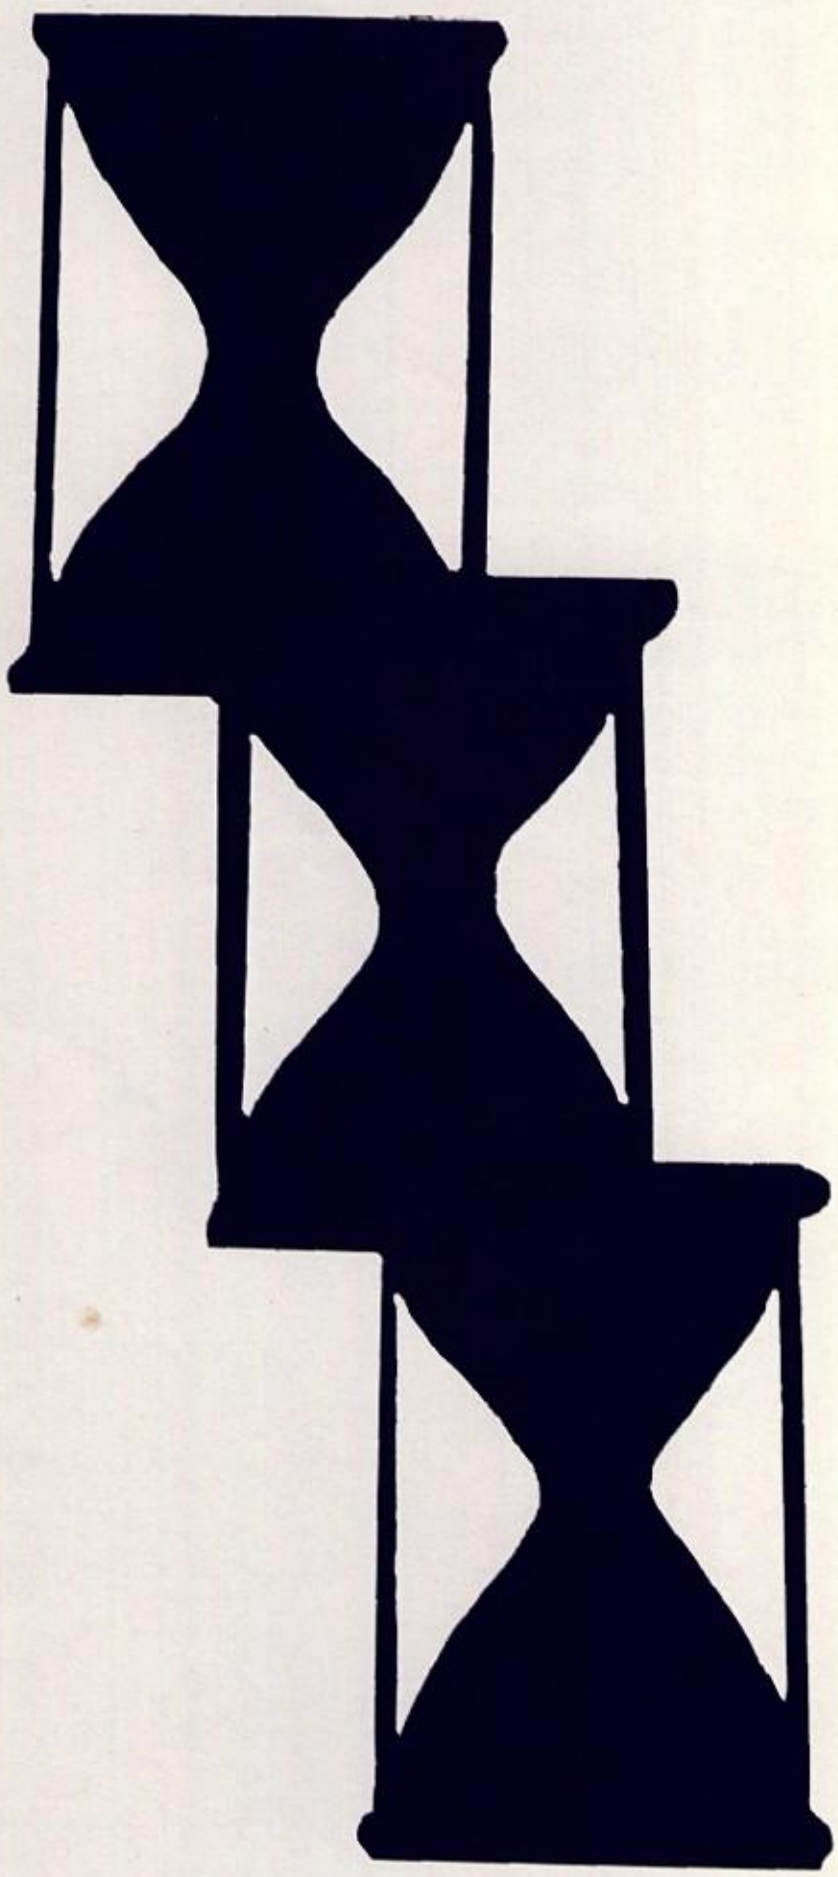
CHORUS

This year the Toulon High School Chorus participated in many activities. In January the Chorus, Band, and Dance Band presented a winter concert. Later, fifty members of the Toulon Chorus participated in the Blackhawk Conference Chorus Festival. Some members of the Chorus attended State Solo and Ensemble Contest at Western University at Macomb. On April 20, the entire Chorus took part in the Band and Chorus Contest, also at Macomb. The music department presented a musical entitled "Stop, You're Killing Me!"

Mr. A. E. Johnson, Director.



At long last this year has come to a close. For many this means stepping out to face the future and following the paths which they have chosen. The sands of time keep sifting some of the eventful moments in our lives. We hope that with the aid of this yearbook, you have recalled many of the pleasant memories of this year.
